DISTRIBUTION PROCESS TO MEMBERS | STATUS

As the distribution process is now well underway, we would like to share with you the status of the distribution process and the main milestones achieved over the past few weeks.

Concretely: Where do we stand?

As of August 31, 2026, PwC had received **2,458 claims.**

To date, **1,480 claims (60%) have been analyzed**. Of these:

- **188 payments** were made by **direct deposit on August 31, 2026** *(Confirmed by the PwC team on September 3, 2026***)** ;
- **683 files** are in **final verification** prior to payment;
- **609 files** are in supervisor verification.

In addition:

- **157 claims** (7%) have been analyzed but require additional information from members. The follow-up process will begin this week;
- **33 claims** (1%) have been received twice;
- **788 claims** (32%) remain to be analyzed.

PwC also expects a wave of payouts (approximately 1,000 claims) during the week of September 7, 2026 and another on September 30, 2026

REMEMBER

Each claim follows its own path and is currently at a different stage of the processing and verification process.

As a reminder, once a complete claim is received by the administrator, the time limit for issuing the payment of this claim is 30 to 60 days.

Members whose case requires additional information will be contacted directly by the PwC team.

We thank you for your cooperation and understanding as the claims process continues. We will continue to keep you informed of the progress of the process in the coming weeks.
